Why Star for Tablet Display Stands?

Star Micronics is proud to offer both function and style with its mUnite tablet display solution stands and mounts, built to accompany our vast array of printers, cash drawers, scales, and peripherals. These durable all-steel kiosks, mounts, and stands are compatible with any tablet manufacturer and any of our tablet enclosures, including the popular Universal mEnclosure. Easy to set up, our mUnite stands are suitable for a wide range of printing solutions, from the mC-Print3 and mPOP® to the TSP143 and TSP654 series.

WHY STAR

Stand Out Features

- Attractive, minimalist design
- All-steel for enduring quality
- Universal VESA mounting
- Cable & wire management

Enhancing Your Brand

- Cables are out of the way, yet easily accessible
- Tablets are stable and protected
- Stylishly free up and declutter work space
- Clean and modern presentation to customers
- Simple assembly

With Star, it's not just a tablet stand – it's protecting your valuables.

Mount Stands

Incredibly modern and space-saving, Star's mUnite tablet mounts are perfect for the retail or hospitality industry or any establishment where tablets are regularly used and can be stationary. They're especially ideal for self-service and self-ordering. Tablets are well-protected and easily accessible while out of the way in busy atmospheres. They attach to most walls and countertops with everything needed to get set up included.*

Desktop Stands

Lessen unnecessary bulkiness and freshen your point-of-sale with Star's wide selection of mUnite desktop tablet stands. These stands are made to accompany a variety of Star printers, providing stability and style for your valuables. They allow the freedom to tilt the screen to your liking and include room for a second customer-facing option. Here's a practical way to enhance your brand, presenting a clean and attractive look to your customers.

EZ3

DESKTOP STANDS

The innovative design of the mUnite EZ3 provides a clean, tidied look to your entire point of sale. The stand boasts protective housing for our mC-Print3, keeping all wires together and off the countertop.

AN ENCLOSURE FOR ALMOST ANY TABLET ...

At Star Micronics we understand that every business has different needs, especially when it comes to technology. Whether you use Apple iPads, Samsung Galaxy Tabs, Microsoft Surfaces – or something else – Star Micronics has the right enclosure for your tablet POS.

... OR ALL TABLETS!

The Star Micronics Universal mEnclosure is a simple yet innovative tablet enclosure ideal for nearly any tablet in any industry. It features expanding arms, VESA mounting, and a secure locking system, with flexibility for businesses that update to new tablets. Plus, it looks great with any mUnite tablet stand or mount!

PART OF THE STAR MICRONICS MPOS SOLUTION

mPOS solutions are Star Micronics' specialty. We proudly offer tablet display stands and enclosures, a multitude of receipt and label printers, cash drawers, barcode scanners, scales, and more. Our StarPRNT SDK enables printing from any iOS, Android, or Windows device, and our SteadyLAN™ technology provides Ethernet service to iOS, Android, and Windows devices connected to a networked printer via the Lightning or USB-C® cable.

Universal mEnclosure & Mini

This innovative and stylish tablet enclosure holds virtually any tablet device securely.

- Fits and protects tablets as large as 9 x 12 inches
- "Mini" version for extra small tablet devices

*Tablets are not included
